

Call for Participation

We invite you to join us in **12th International Conference on Artificial Intelligence and Applications (AIFU 2026)**.

This conference is a forum for presenting new advances and research results in the fields of Artificial Intelligence. The conference will bring together leading researchers, engineers and scientists in the domain of interest from around the world. The scope of the conference covers all theoretical and practical aspects of the Artificial Intelligence.

The scope of AIFU 2026 spans both the theoretical foundations and practical applications of AI, reflecting the rapid evolution of the field from machine learning, deep learning, and intelligent reasoning to foundation models, generative AI, robotics, and AI driven scientific discovery. The conference welcomes contributions that advance our understanding of modern AI techniques, architectures, algorithms, and real world deployments, as well as interdisciplinary work that bridges AI with domains such as healthcare, climate science, engineering, and human computer interaction.

Highlights of AIFU 2026 includes:

- 16th International Conference on Computer Science, Engineering and Applications (CCSEA 2026)
- 15th International Conference on Embedded Systems and Applications (EMSA 2026)
- 15th International Conference on Cloud Computing: Services and Architecture (CLOUD 2026)
- 7th International Conference on Big Data and Machine Learning (BDML 2026)
- 12th International Conference on Signal and Image Processing (SIPRO 2026)
- 15th International Conference on Software Engineering and Applications (SEA 2026)
- 12th International Conference on Networks & Communications (NCOM 2026)
- 14th International Conference on Data Mining & Knowledge Management Process (DKMP 2026)
- 7th International Conference on Natural Language Computing and AI (NLCAI 2026)
- 7th International Conference on Block chain and Internet of Things Applications (BIoT 2026)

Registration Participants

Non-Author / Co-Author / Simple Participants (No Paper)

100 EURO for Online (Without Proceedings)

490 EURO for Face to Face (With Proceedings)
